Subject: Work Order / Project Approval for "Rudraksha Computers – Institute Management System"

Dear Anushka,

This is to certify that your proposed project titled **"Rudraksha Computers – Institute Management System"** has been reviewed and is hereby approved by the undersigned.

This project has been carried out under the guidance of **Prof. Priya Rakibe.**

The management of **Rudraksha Computers** agrees to act as the client for this full-stack development project. The following scope of work is acknowledged:

- Development of a web-based institute management system using modern technologies (HTML, CSS, JS frontend and Node.js with Express backend).
- Features include:
    - Student management system- Progress tracking, My Courses, Download Notes, Daily tasks, Attendance, Certificate generation
    - Owner management system- Add notes, Add Daily task, Create, Update, Delete – Students, Courses, Packages, Report Generation.
- Deployment on a public platform (Vercel) for live demonstration.
- Delivery of source code, project report, and a live working URL.

We understand that this project is part of your academic curriculum (Full Stack). We extend our full cooperation for requirement gathering, testing, and final feedback.

We wish you all the best for successful completion.
