Subject: Project Confirmation Letter for "Rudraksha Computers – Institute Management System"

Dear Anushka,

This is to confirm that the project titled **"Rudraksha Computers – Institute Management System"** has been accepted and is being carried out in association with **Rudraksha Computers**.

The project is being developed under the guidance of **Prof. Priya Rakibe**.

We confirm that **Rudraksha Computers** will act as the client for this full-stack development project and will provide the necessary support for its successful completion. The scope of the project includes:

- Development of a web-based institute management system using modern technologies (**HTML, CSS, JavaScript** for frontend and **Node.js with Express** for backend, with **MongoDB** database).
- Features include:
    - Student management system- Progress tracking, My Courses, Download Notes, Daily tasks, Attendance, Certificate generation
    - Owner management system- Add notes, Add Daily task, Create, Update, Delete – Students, Courses, Packages, Report Generation.
- Deployment on a public platform (Vercel) for live demonstration.
- Delivery of source code, project report, and a live working URL.

We confirm our cooperation in requirement gathering, testing, and providing feedback during the development of this project.
